About Us: Law Enforcement United is founded upon and committed to honoring officers who have died in the line of duty, and ensuring that their surviving family is supported and not forgotten. Our fundraising efforts support The Road to Hope, Concerns of Police Survivors, The Officer Down Memorial Page, and Spirit of Blue Foundation. Together we will go the extra mile to honor these heroes and help their surviving family members always have the support programs they need to begin to rebuild. We are a group of Law Enforcement Officers, Survivors, and Civilian supporters who have made it our mission to honor the fallen and remember the survivors. Law Enforcement United is our passion, and we hope it becomes yours too. **To our families, friends, colleagues, donors, and sponsors; thank you for standing beside us! We could not do it without you!!**

Our Values: Law Enforcement United is founded on a grassroots level and strives to incorporate our core values within our operations. We are stewards of giving. We are committed to the organizations we support and our mission. We believe that we receive by giving; and strive to recruit a strong core membership and donors to facilitate our mission. We believe in giving our donations to our causes not salaries. We are 100% volunteer driven organization. No board, staff, or member is stipend or salaried. We believe in fiscal responsibility. By carefully managing our financial resources to ensure focus goes to the core charitable programs we support.

OUR MISSION: HONOR THE FALLEN, REMEMBER THE SURVIVORS

The Road to Hope. A Physical Challenge to Honor the Fallen and Remember the Survivors

Each May our membership comes together in Chesapeake, VA, Reading, PA, Atlantic City, NJ, Cumberland, MD, and Roanoke, VA to participate in our annual three day bicycle trek to Washington, D.C. to kick off National Police Week. The routes are 250+ miles long and Law Enforcement Officers, and Survivors nationwide make this arduous journey pedaling to honor the service and sacrifice of their law enforcement colleagues and family members who have died in the line of duty. Our membership is also comprised of logistical support including motor escorts, medical staff, food, hotel, and transportation support team members who support each of these riders. Members must meet fundraising goals in order to participate. While this is a fundraising event, it is also a focus point of LEU's programs. During this ride, Law Enforcement and Survivors from all over the country come together for a common purpose. While each member has their own personal reason for accomplishing this goal in the end LEU is also working on healing our nations law enforcement community. During the three days our LEU Family experiences a gamut of emotions. We work hard pedaling up those hills, We make memorial stops along the way to honor those that made the ultimate sacrifice. We, console each other, laugh, cry, forge lifetime friendships, and we also begin to heal. This journey means as much to those who are participating as it does to those we support. We appreciate any donation you can make to help these dedicated members of your community make this journey.

Hello I am contacting you today about an opportunity to change lives. As you know Law Enforcement across the country has been faced with many challenges and sadly many have made the ultimate sacrifice in the line of duty. Too many families are now faced with a horrific loss of their loved one and have the daunting task of picking up the pieces as they try and move forward. You can help them rebuild. I am a member of Law Enforcement United, and while there are many worth while charities across the nation, let me give you some information on why ours is different:
